In re Application of  
Delp and Renaldi  
Application No. 09/036,721  
Filed: March 6, 1998  
For: INTEGRATED BUILDING  
CONTROL AND INFORMATION SYSTEM  
WITH WIRELESS NETWORKING

:  
:  
: DECISION NOTING JOINDER OF  
: INVENTOR AND PETITION UNDER  
: 37 CFR 1.47(a) MOOT  
:

This is in response to papers filed on March 1, 1999 which included a Declaration signed by a previously non-signing inventor Delp in compliance with 37 CFR 1.63.

In view of the joinder of the inventor, further consideration under Rule 1.47(a) is not necessary and the petition is considered to be moot. This application does not have any Rule 1.47 status and no such status should appear on the file wrapper. This application need not be returned to this Office for any further consideration under Rule 1.47(a).

The revocation of the Power of Attorney, filed on August 13, 1998, was accepted in error on November 9, 1998. The revocation of the Power of Attorney, filed on August 13, 1998, was only signed by inventor Delp who at that time had not executed a declaration under 37 CFR 1.63. Rule 47 applicant Renaldi did not execute the revocation of the power of attorney nor did he execute the paper granting power of attorney to Stefan v. Stein. Generally, papers giving or revoking a power of attorney in an application require signature by all the applicants or owners of the application. See MPEP 402.10. Therefore, the acceptance of the revocation of the Power of Attorney, filed on August 13, is hereby revoked and all correspondence will be sent to John F. Ward, the first-named attorney.

After mailing of this decision, this application is being returned to Technology Center Art Unit 2744 to remail the Office Action (paper no. 10) to John F. Ward of Ward & Olivo and to handle the request to withdraw as attorney of record, filed October 25, 1999.

Telephone inquiries regarding this communication should be directed to the undersigned or Legal Advisor Jeanne Clark at (703)305-9285.
